

# JOIN THE BEIJING CAPITAL A320 FLIGHTDECK

Beijing Capital Airlines is offering the opportunity for A330 Captains to fly the A320 for two years before returning to the A330 and you are invited to attend the upcoming Simulator Assessments in Sao Paulo.

This will be an official company simulator check by Beijing Capital Airlines, a great opportunity to expedite the application process.

Amazing pay and commuting contracts on offer, **DO NOT MISS OUT** on this great opportunity.

**Beijing Capital Airlines** is a young, exciting airline in China with a fleet consisting of over 80 aircraft of A320s and A330s. Established 2010, BCA continues to expand international long-haul services, while strengthening their presence in domestic and regional market.

**Beijing Capital Airlines** offers multiple bases in mainland China, from mega-cities, scenic historical site, to relaxed resort cities, available bases include Beijing, Qingdao, Hangzhou & Sanya.

China is forecasted to become the biggest aviation market in the world in the next few years. **AeroPersonnel's** extensive experience in the region over the years provide a very satisfying screening pass rate.
