

# Wrong Aircraft Maneuver on Spot

YESTERDAY, 08/14/2023, WE HAD AN OCCURRENCE AGAIN WHERE AN AIRCRAFT DID A WRONG MANEUVER, THAT TIME ON SPOT, IN ORDER TO CORRECT ITS SPOT TO PARK.

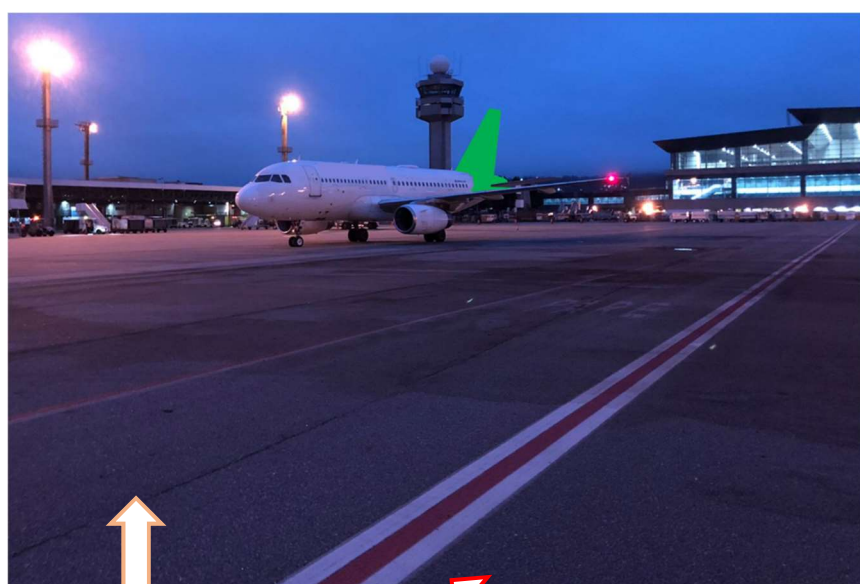

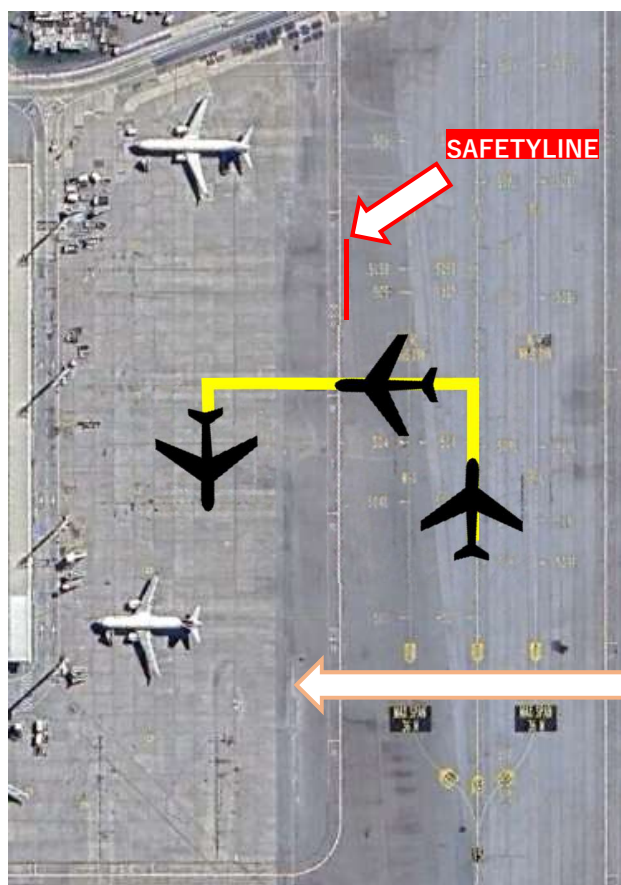

THEREFORE, THAT MANEUVER IS **FORBIDDEN** IN SBGR DUE TO JET BLAST ISSUES.

## WRONG TRACK THAT WAS DONE

## IMAGE FROM THAT OCCURRENCE

*There weren't damage or injuries.*

Spot areas where an aircraft is parked and occurs movement of people and vehicle.

SAFETYLINE

This sign delimits safely apron areas in order to keep clear where an aircraft is able to taxi or towing.

There is an agreement between TWR-GR and GRU Airport named CAO<sub>p</sub> which settles aircraft taxi-in and taxi-out rules besides other rules:

**3.14.3** É proibida a manobra de giro da aeronave no pátio por meios próprios para correção da manobra de ingresso no pátio ou posição de estacionamento.

**3.14.3** It is forbidden aircraft maneuver on apron to correct its route or to get in parking position.

**PILOTS, DO NOT EXECUTE ANY MANEUVER WITHOUT COMMUNICATING AND RECEIVING TWR-GR APPROVAL.**
