### MUTUAL ASSISTANCE FOR SNA BRAZIL

To whom it may concern,

Aviation Professionals' Association of South Africa (AVPA-SA) expresses its full support and solidarity with the Sindicato Nacional dos Aeronautas (SNA) of Brazil in its campaign, "For the Right to Fly Safely – Against the Collapse of the Brazilian Air Transport System."

AVPA-SA recognises that fatigue, deteriorating working conditions, and regulatory instability are not merely labour concerns, but critical aviation safety issues affecting crews, passengers, and the long-term sustainability of the industry.

We stand in solidarity with SNA and the professional flight crews of Brazil in advocating for safe operations, effective fatigue management, and properly protected and regulated crews.

In unity and solidarity,
